

TO: Distributor Executives and Distributor Management

SUBJECT: *NEW TRIVERSA LEARNING CENTER*

Triversa and Triversa ID are quickly becoming the hottest products in the market. To provide an easy to use resource with detailed information about the products, we have created a Triversa Learning Center.

There is a link on our website that contains the following documents:

- A PowerPoint presentation overview
- Technical Data Sheets
- Installation Instructions
- Recommended Usage Chart
- Display Sell Sheets
- Brochure

To access this information, use this link

<http://www.congoleum.com/triversa-learning-center>

Make sure all of your salespeople know about this important resource that they can use to make presentations and which will make important Triversa information available with just one click.

Sincerely,

Pat Buckley
Vice-President
Product Management
